3:00 pm - Performance: Central Iowa Wind Ensemble (Des Moines, Iowa)
Conductor: Christian Carichner

7:30 pm - Nebraska Wind Symphony (Omaha, Nebraska)
Conductor: Dr. Joshua Kearney

The Association of Concert Bands was formed to support adult concert, community, and municipal bands. Members include bands, adult musicians, conductors, composers, and corporations who are dedicated and equipped to serve the needs of musicians that perform in and/or lead adult concert bands.

The Association of Concert Bands has a long tradition of bringing together concert band musicians, conductors and their bands. Most every year, members from across the country have gathered for a convention of three or four days of camaraderie, participating in clinics and concerts and enjoying an opportunity to play with musicians from across the country under an esteemed conductor. Now, ACB brings additional opportunities for the concert band community to come together, by providing multiple events during the year, each of which is one or two days in duration. Thank you for joining us as part of this first Regional Connections Event. Thank you to the Nebraska Wind Symphony for being our host for this inaugural event.
